Re: Case Number: 24-1488, District Court Case Number: 4-22-cv-00533

Dear Ms. Dodszuweit,

I am writing to respectfully request a stay in my case referenced above, currently scheduled for submission of briefs on May 1st, 2024. It is my understanding that we are currently awaiting a determination regarding Attorney Stapp's issues in reference to his violation of Federal Rule of Civil Procedure 11. It is necessary for me to know the outcome of this issue prior to formulating my brief for the court. Furthermore, additional time will be required for me to prepare my brief because I must completely rebuild my case and review completely Attorney Stapp's past submissions to the lower court on my behalf. It is also possible that UPS may be willing to discuss a negotiated settlement as well.

I am deeply appreciative of the Court's understanding of my situation to date. I kindly request the court's consideration of this request for a stay. Please advise me on any documentation or procedural steps required to formalize this request if necessary.

Thank you very much for your attention to this matter.

Respectfully,

Terri Lauchle
